

Walking On Water

Can you walk on water? “Of course not,” you say, “don’t be ridiculous, no one can walk on water without the aid of supernatural power.” Well, you can no more live the Christian life than you can walk on water, without being filled with supernatural power either. Some may be able to look like they are from the outside, but on the inside they are filled with dead man’s bones. They have only whitewashed the outside, but in the judgment, the inside will be seen for what it is.

You can no more live the Christian life without supernatural power than you can walk on water without supernatural power. All your righteousness is only filthy rags and is completely unacceptable to God. You can never gain an entrance into Heaven with your righteousness, only Christ’s righteousness worked in and through you, is acceptable, a righteousness that reaches to the thoughts and feelings, a life filled with and controlled by the Holy Spirit. Only this kind of individual will be accepted by God and allowed to enter Heaven. Anything short of this will be rejected.

Don’t fool yourself - You can’t walk on water. Let me assure you, if you think you can and believe you are, you will be greatly disappointed in the end. No one will be able to comprehend the depth of that disappointment until they experience it. But by then, it will be way too late to change who they are depending on, and what power they are living by.

Today is the day of repentance, turning away from self-reliance and instead, relying on a supernatural power outside of yourself to make you what God wants you to be, a child of the King, living a life that glorifies His name in all that you think, feel, say, and do.
